Yangtai Fishing Tackle Factory, Hebe

Company Introduction | Product Introduction

Company Profile

Hebei Yangtai Fishing Tackle Factory is a professional manufacturer focusing on the R&D, production and export of high-quality fishing gear. With years of experience in the fishing tackle industry, we mainly supply full-range fishing products including carp rods, lure rods, sea rods, European carp rods, long cast rods, frog rods and other fishing supplies.

We adhere to independent research and development and technological innovation. Using high-carbon materials and strict production standards, we produce lightweight, tough, comfortable and durable professional fishing rods and accessories. Supported by complete supply chains, stable quality and comprehensive foreign trade services, our products are well sold to the Middle East, Southeast Asia, Africa and other regions worldwide. We provide one-stop fishing tackle supply solutions for overseas wholesalers and retailers.

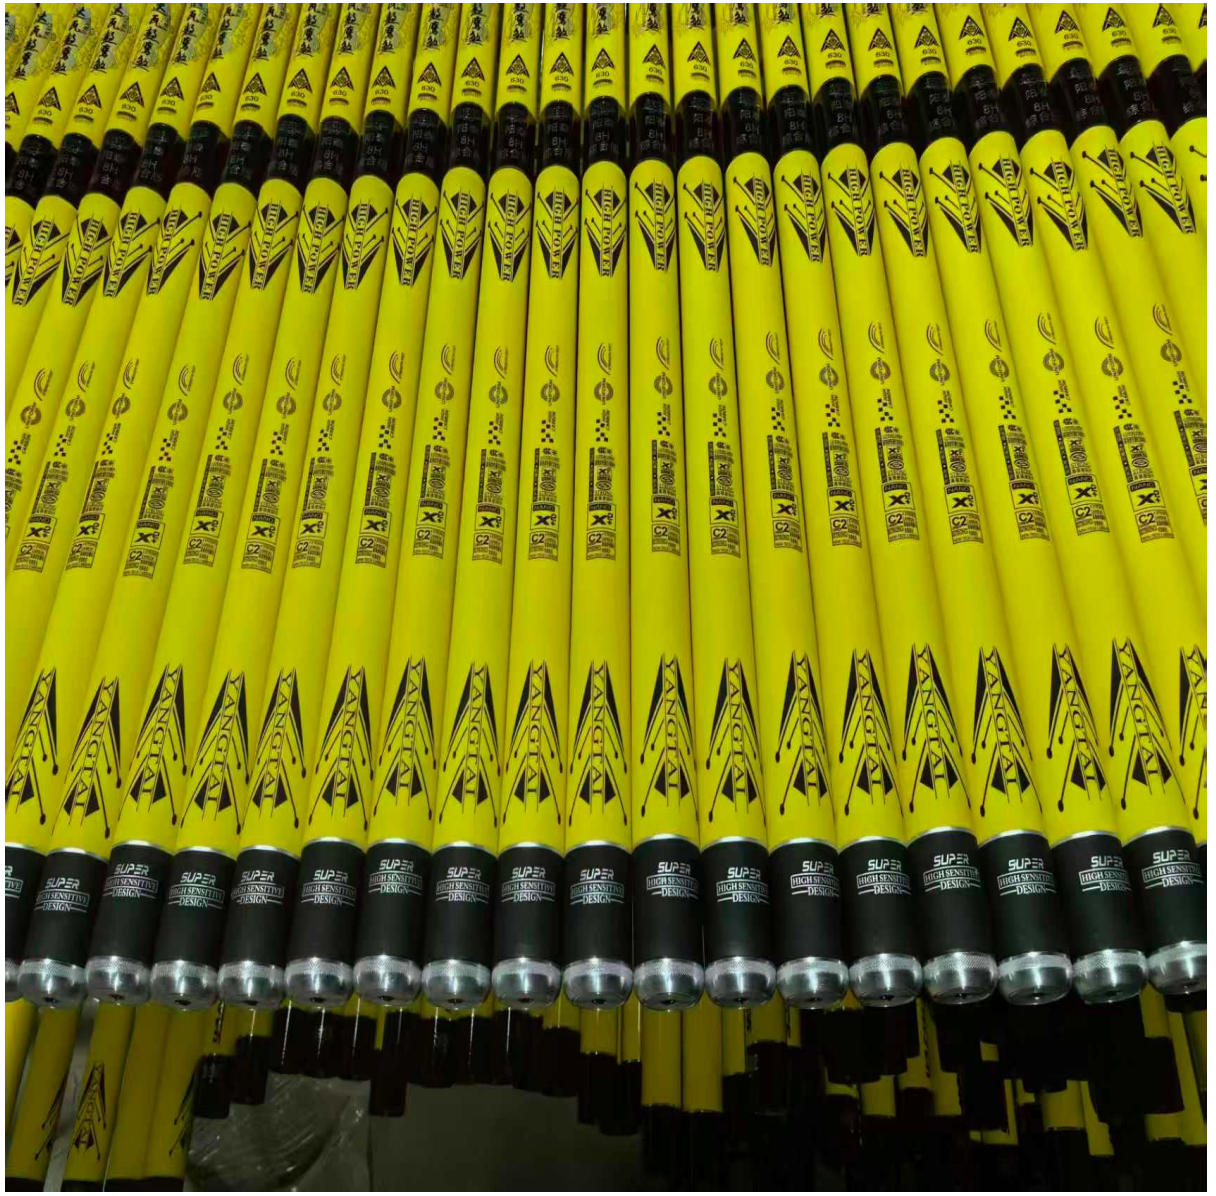

Upholding the business philosophy of superior quality, integrity win-win and practical innovation, we keep focusing on the fishing tackle field and offer cost-effective products to help global anglers enjoy fishing.

Our Advantages and Guarantees

•Yangtai is a professional manufacturer specializing in the design and production of high-performance fishing gear. We focus on innovative design of fishing tackle products, enabling anglers to easily enjoy the fun of fishing and the beauty of nature. Our complete product range covers carbon fishing rods, lure rods, sea rods, long casting rods, European carp rods and full-set fishing supplies.

•We select premium raw materials such as high-carbon fiber and wear-resistant non-slip fabrics, and adopt advanced production techniques to ensure our products are sturdy, durable, lightweight, portable, corrosion-resistant and anti-aging. All products undergo strict field tests to adapt to various harsh fishing environments, meeting high industry standards in quality and reliability.

Product

●Telescopic Fishing Rods

Imported high-density high-carbon fiber, lightweight, portable, high-toughness, comfortable grip, high quality and competitive price.

Use for freshwater fishing, wild fishing, reservoir fishing, leisure angling.

●Lure Rods

High-carbon fiber blank, lightweight, sensitive tip, anti-corrosion, high quality and competitive price.

Use for sea fishing, freshwater fishing, boat fishing, rock fishing.

●Sea Fishing Rods

High-carbon fiber, high breaking strength, wear-resistant, stable casting performance, high quality and competitive price.

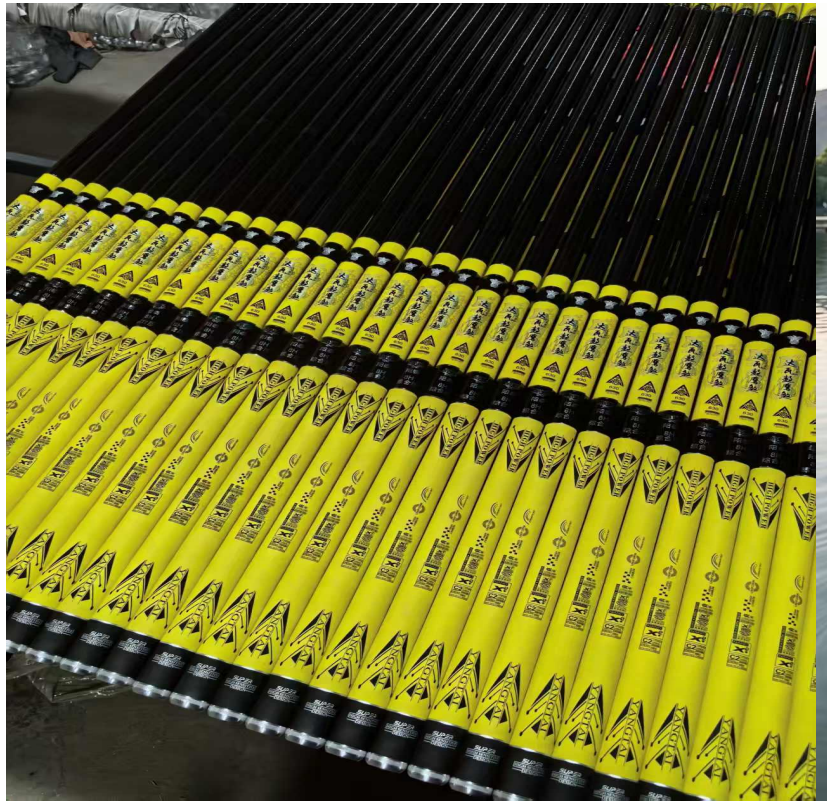

Use for sea fishing, offshore fishing, beach fishing.

●Long-casting Rods

Ultra-high-carbon fiber, ultra-long casting distance, high toughness, anti-break, high quality and competitive price.

Use for beach fishing, offshore long-distance fishing, big-game fishing.

High-carbon Telescopic Fishing Rod

- Open length: 3.6m/4.5m/5.4m/6.3m/7.2m/8.1 m/9.0m
- Folded length: 110cm/120cm
- Stock Action: 28 tune / 19 tune
- Style/Color: Lemon Yellow
- Stock Price: 3.1USD - 8.9USD(FOB price to Tianjin China port)
- OEM / ODM Customization: length, action, color, logo, and package

Ultra-light high-carbon fiber construction，Non-slip ergonomic handle，High sensitivity，Portable & easy to carry，Fast response & strong backbone

High-carbon Telescopic Fishing Rod

- OEM / ODM Customization: length, action, color, logo, and package

Spinning Casting Fishing Rod

- Open length: 1.8m/2.1m/2.4m
- Spigot Joint Design
- Stock Power: M / ML/MH
- Stock Price: 6.9USD(FOB price to Tianjin China port）
- OEM / ODM Customization: length, power, color, logo, and reel seat

Carbon fiber cloth blank, anti-tangle guides, high sensitivity, ergonomic split handle, lightweight and responsive, competitively priced fishing rod.

Surf Casting Fishing Rod

Fiberglass-carbon cloth hybrid reinforced blank, anti-corrosion guides, non-slip EVA handle, saltwater-ready, highly durable.

- Open length: 2.1m/2.4m/2.7m/3.0m/3.6m/4.5m
- Stock Test: 20-60g / 30-80g
- Price: 3.9USD - 5.9USD(FOB price to Tianjin China port)
- OEM / ODM Customization: length, test, color, logo, and rod tip

Surf Casting Fishing Rod

Fiberglass-carbon cloth hybrid reinforced blank, anti-corrosion guides, non-slip EVA handle, saltwater-ready, highly durable.

- Open length: 1.6m/1.8m/2.1m/2.4m/2.7m
- Stock Test: 20-60g
- Price: 2.9USD - 4.4USD(FOB price to Tianjin China port)
- OEM / ODM Customization: length, test, color, logo, and rod tip

Surf Casting Fishing Rod

- Open length: 1.6m/1.8m/2.1m/2.4m/2.7m
- Stock Test: 20-60g
- Price: 2.8USD - 4.2USD(FOB price to Tianjin China port)
- OEM / ODM Customization: length, test, color, logo, and rod tip

Fiberglass-carbon cloth hybrid reinforced blank, anti-corrosion guides, non-slip EVA handle, saltwater-ready, highly durable.

Spinning Casting Fishing Rod

- Open length: 1.8m/2.1m/2.4m
- Spigot Joint Design
- Stock Power: M / ML/MH
- Stock Price: 6.9USD(FOB price to Tianjin China port）
- OEM / ODM Customization: length, power, color, logo, and reel seat

Carbon fiber cloth blank, anti-tangle guides, high sensitivity, ergonomic split handle, lightweight and responsive, competitively priced fishing rod.

Ultralight Trout Rod

- Open length: 1.68m/1.8m/1.98m
- Spigot Joint Design
- Stock Power: U/ UL/M
- Stock Price: 5.4USD(FOB price to Tianjin China port）
- OEM / ODM Customization: length, power, color, logo, and reel seat

Adopting carbon fiber lightweight rod body with ultra-sensitive action, equipped with solid sturdy rod tip and smooth line-protecting guides. It is fully compatible with micro lures, available in two styles, portable for easy storage, fitted with ergonomic handle and built with tough backbone, featuring great cost performance and high practicality.

Ultralight Trout Rod

Spinning Casting Fishing Rod

Carbon fiber cloth blank, anti-tangle guides, high sensitivity, ergonomic split handle, lightweight and responsive, competitively priced fishing rod.

- Open length: 1.8m/2.1m/2.4m
- Spigot Joint Design
- Stock Power: M / ML/MH
- Stock Price: 5.4USD(FOB price to Tianjin China port）
- OEM / ODM Customization: length, power, color, logo, and reel seat

Surf Casting Rod

- Open length: 3.3m/3.6m/3.9m/4.2m/4.5m/5.4m
- Folded length:80cm
- Extra Hard Surf Casting Rod
- Price: 7.7USD - 11.6USD(FOB price to Tianjin China port)
- OEM / ODM Customization: length, power, color, logo, and reel seat
- MOQ:100 pcs per size

Built with high-density carbon fiber, this surf casting rod delivers exceptional long-distance casting performance. Lightweight but rigid, it reduces casting fatigue and offers strong wind resistance for stable long-range throws. Perfect for beach, shore and offshore fishing, ideal for big-game saltwater catches.

Carp Fishing Rod

- Open length: 2.1m/2.4m/2.7m/3.0m/3.3m/3.6m/3.9m
- Folded length:70cm/80cm
- Extra Hard Surf Casting Rod
- Price: 6.5USD - 11.1USD(FOB price to Tianjin China port)
- OEM / ODM Customization: length, power, color, logo, and reel seat

Spinning Casting Fishing Rod

- Open length: 1.65m/1.8m/2.1m/2.4m
- Spigot Joint Design
- Stock Power: M / ML
- Stock Price: 3.1-4USD(FOB price to Tianjin China port）
- OEM / ODM Customization: length, power, color, logo, and reel seat

Carbon fiber cloth blank, anti-tangle guides, high sensitivity, ergonomic split handle, lightweight and responsive, competitively priced fishing rod.

Spinning Casting Fishing Rod

- Open length: 1.65m/1.8m/2.1m/2.4m
- Spigot Joint Design
